

LIQUOR LICENSING — SMALL BAR APPLICATIONS

**306. Hon HELEN BULLOCK to the Leader of the House representing the Minister for Racing and Gaming:**

- (1) Since 23 September 2008, how many small bar licence applications have not been opposed by WA Police?
- (2) Since 23 September 2008, how many small bar licences have not been opposed by the Department of Health?

**Hon NORMAN MOORE replied:**

I thank the member for some notice of this question.

- (1)–(2) As the information requested cannot be obtained in the time available, the member is requested to put the question on notice.

When I received that answer, I went back and asked if the department could have another go. They have come back and explained to my satisfaction that it is simply not possible to get the information today. I suggest the member puts the question on notice or asks it again tomorrow.
