

STATE TRAINING PROVIDERS — REMOVAL OF MAXIMUM COURSE FEE

3609. Mr F.M. Logan to the Minister for Training and Workforce Development:

I refer to the removal of the annual maximum course fee for qualifications up to Certificate IV in 2015, and I ask:

- (a) for each level of qualification up to cert IV, for concession students:
  - (i) what is the average course fee charged;
  - (ii) what is the lowest course fee charged; and
  - (iii) what is the highest course fee charged; and
- (b) for each level of qualification up to Certificate IV, for non-concession students:
  - (i) what is the average course fee charged;
  - (ii) what is the lowest course fee charged; and
  - (iii) what is the highest course fee charged?

**Mrs L.M. Harvey replied:**

- (a)–(b) The average course fee charged to students in 2015 will not be known until full year validated data become available early in 2016.
