

MINISTER FOR LANDS — VEHICLES

639. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Lands:

I refer to question on notice 1037 regarding motor vehicles leased or owned by agencies in the minister's portfolio.

- (1) Does LandCorp own or lease any vehicles?
- (2) If yes —
 - (a) why was it not able to provide an answer to the question; and
 - (b) will the minister now arrange for an answer to the question to be tabled?
- (3) If no to (1), how does LandCorp arrange vehicles for its staff to use for work purposes?

Hon COL HOLT replied:

I thank the honourable member for some notice of this question.

- (1)–(2) LandCorp does not provide vehicles on a comparable basis to other state government departments as it also owns industrial and commercial vehicles at the Australian Marine Complex, as well as providing passenger vehicles for operational fleet purposes. LandCorp's fleet is administered based on Western Australian government fleet policy and guidelines to the extent practicable given that LandCorp is a corporatised government trading enterprise. LandCorp is able to lease vehicles outside government leasing arrangements.

LandCorp will provide information on all vehicles leased from State Fleet and vehicles LandCorp owns or leases under other arrangements.
- (3) Not applicable.
