

BROOME–CAPE LEVEQUE ROAD — UPGRADE

306. Hon KEN BASTON to the minister representing the Minister for Transport:

I refer to the Broome–Cape Leveque Road upgrade project.

- (1) Is water drilling required for this project?
- (2) If yes to (1), has a water drilling service been procured?
- (3) If yes to (2), what procurement method was used to obtain the water drilling service?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of the question.

- (1)–(2) Yes.
- (3) The service was provided via a select tender approach, in line with the Main Roads procurement process.
