

STATE LIBRARY — FUTURE CONSERVATION REQUIREMENTS

Question on Notice 1375 — Correction of Answer

HON SUE ELLERY (South Metropolitan — Leader of the House) [5.09 pm]: I wish to inform the house that the answer to question on notice 1375, asked by Hon Alison Xamon on 12 June 2018 to me as the Leader of the House representing the Minister for Culture and the Arts and provided on 21 August 2018, indicated that the report on the review of the preservation, conservation and reformatting function of the State Library of Western Australia had previously been tabled. There was an error in that response. I apologise to the house and now table that report.
