

TEMPORARY ROAD WORKS — SIGNAGE

4664. Hon Ken Travers to the Minister for Finance representing the Minister for Transport

In relation to temporary road works, is there any policy or legal requirement for signage at the beginning and end of road works?

Hon SIMON O'BRIEN replied:

Main Roads WA advises:

The requirement for a speed restriction at a roadwork site is specified in Australian Standard 1742.3 — 2009 “Manual of uniform traffic control devices Part 3: Traffic control for works on roads”.
