

DANGEROUS SEX OFFENDERS — TRACKING DEVICES

**38. Mr P. PAPALIA to the Premier:**

I ask a supplementary question. Why is the Premier sitting on his hands while his poor decisions continue to release more dangerous sex offenders into the community?

**Mr C.J. BARNETT replied:**

This government takes a tough approach on law and order. We have always, particularly —

**Mr P. Papalia** interjected.

**The SPEAKER:** Member for Warnbro, you are on three calls. It does not all start again in question time.

**Mr C.J. BARNETT:** Of course if a released prisoner has a GPS tracking device attached, that will pick up any breaches that would not have been picked up before. Again, the member should look at the data.
