

QUESTIONS ON NOTICE 4478 AND 4479 — DRAFT ANSWER

778. Hon KEN TRAVERS to the minister representing the Minister for Transport:

- (1) Did the Department of Transport provide the Minister for Transport with a draft answer to question on notice 4478 answered on 8 September 2011?
- (2) Did the draft answer include a list of fees and charges that had been identified as being above cost recovery?
- (3) Did the Department of Transport provide the Minister for Transport with a draft answer to question on notice 4479 answered on 8 September 2011?
- (4) Did the draft answer provided to the Minister for Transport include any details of the tariffs, fees and charges that have been increased by an amount greater than the consumer price index or any details of new tariffs, fees and charges that have been implemented?
- (5) On what dates did the Minister for Transport advise the Department of Transport that it should not provide the information requested in question on notice 4479 and in parts (3) to (5) of question on notice 4478?

Hon SIMON O'BRIEN replied:

I was interested to see the answer provided by the Minister for Transport for me to offer to the member asking this question. I make reference to the quite extraordinarily detailed questions on notice that the member has referred to in his question before offering him this answer that has been provided. I now provide it on behalf of the minister —

- (1)–(5) Information was provided, but given the capacity constraints at the time of compiling and reviewing, the information as at 4478 was provided.
