

JOBS — LNG PROJECTS

679. Hon TIM CLIFFORD to the Leader of the House representing the Premier:

I refer to the government's promise to create 150 000 new jobs by 2023–24.

- (1) Has the state government conducted any analysis on the potential job generation that the LNG industry could provide to the state?
- (2) If yes to (1), can the Premier please table it?
- (3) If no to (1), is the state government planning to undertake some analysis?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

- (1) No.
- (2) Not applicable.
- (3) The government does not currently have any plans to carry out this specific analysis.
