Question: Ms M.J. Davies asked for a list of regional economic development grants that are yet to be acquitted and that are within the \$12.5 million estimate for 2021–22.

Answer: A list of projects allocated funding in Rounds 1, 2 and 3 of the Regional Economic Development Grants Program where funding yet to be fully paid to the recipients is provided in the table below.

The total of unpaid funds is \$5.792 million. These funds have been carried forward into the 2021–22 financial year. The reasons for this carry forward of funding are varied and may include:

- payment milestones not yet achieved
- delays in negotiating and executing agreements
- withdrawal of projects
- COVID-19 pandemic impacts on project progress.
