

DOCTORS IN TRAINING

322. Hon HELEN BULLOCK to the minister representing the Minister for Health:

- (1) What is the total number of doctors in training in Western Australian hospitals?
- (2) How many doctors in training are there in each WA hospital?
- (3) What resources has the state government allocated to provide supervised training opportunities for doctors in training in WA hospitals in terms of funding, full-time equivalent staffing and other resources?

Hon HELEN MORTON replied:

I thank the member for some notice of the question. I think this is the one that I mentioned to the member privately. Providing the information in the time required is not possible, and I request that the member place the question on notice.
