I refer to the recent deepening of the Arrowsmith-2 well.

- (1) Were any chemicals approved to be used as part of this process?
- (2) If yes to (1), will the minister please specify which chemicals; and the volume of any chemicals used?
- (3) If no to (2), why not?

Hon SIMON O'BRIEN replied:

I thank the honourable member for some notice of this question, which I respond to on behalf of the Minister for Mines and Petroleum.

- (1) No.
- (2)–(3) Not applicable.
