

DANGEROUS SEX OFFENDERS — TRACKING DEVICES

41. Mr P. PAPALIA to the Minister for Corrective Services:

I have a supplementary question. Does the minister now agree with Labor's call to change the law to keep GPS tracking as a tool, but to exclude GPS tracking devices as a consideration when deciding upon a person's release?

Mr J.M. FRANCIS replied:

My understanding from my conversations with the Attorney General is that we accept that of course there could be some ambiguity in this. Yes, the government intends doing that as part of its reform package.
