

FOUNDATION HOUSING LIMITED

**415. Hon GIZ WATSON to the minister representing the Minister for Housing:**

I refer to question without notice 264, asked in the Legislative Council on 17 May this year, regarding Foundation Housing Limited. As Foundation Housing Limited is an independent, not-for-profit organisation that is not required to apply the Housing Authority's operational policies, will the minister table the details of the complaints process that can be used against Foundation Housing tenants who display antisocial behaviour?

**Hon SIMON O'BRIEN replied:**

I thank the honourable member for notice of the question. The Department of Housing advises —

As a registered community housing organisation, Foundation Housing is required under the national community housing standards to have a documented system for how disputes between tenants and neighbours will be managed in accordance with the Residential Tenancies Act 1987 and to take the appropriate action under the act when a specific incident can be substantiated.
