

PUBLIC HEALTH AMENDMENT (IMMUNISATION REQUIREMENTS FOR ENROLMENT) BILL 2019 —
DEPARTMENT OF EDUCATION

2178. Hon Martin Aldridge to the Minister for Education and Training:

I refer to the *Public Health Amendment (Immunisation Requirements for Enrolment) Bill 2019*, which amends the *School Education Act 1999*, which is an Act under the control of the Minister for Education, and I ask:

- (a) will the passage of the Bill burden the Department of Education or any other agency under the Minister's control arising from any provision of the Bill; and
- (b) if yes to (a), will the added burden be funded within the approved appropriation of the affected department or agency or will it require further resourcing to be provided?

Hon Sue Ellery replied:

- (a) No.
- (b) Not applicable.
