

2017–18 CHAPLAINCY FUNDING APPLICATIONS

**885. Hon SUE ELLERY to the Minister for Education:**

I refer to the in-school chaplaincy funding applications for 2017–18.

- (1) When were schools formally notified of the application time lines?
- (2) Is the minister aware that some schools did not receive notification of the closing dates until the week applications closed?
- (3) Have any schools requested that late applications be considered?

**Hon PETER COLLIER replied:**

I thank the honourable member for some notice of the question.

- (1) All schools were informed of the in-school chaplaincy funding application timelines in an Ed-e-mail sent to all principals on 2 August 2016.
- (2) The Ed-e-mail communication informed principals that applications opened on 2 August 2016 and closed at 5.00 pm on 16 August 2016, giving them two weeks to submit an application.
- (3) Yes. Twenty schools submitted applications after the closing date. Each of these applications will be considered in the context of the circumstances that resulted in their late submission.
