

SCHOOLS — YEAR 7 CONTRIBUTIONS

1578. Mr C.J. Tallentire to the Minister representing the Minister for Education:

Bearing in mind the Acting Deputy Director General Finance and Administration's advice to schools that Year 7 contributions will rise from \$60 to \$235 in 2015, will this require amendment to the *Schools Education Act 1999* or can this be achieved through regulatory change?

**Mr J.H.D. Day replied:**

Amendments to the *School Education Act 1999* will be required.
