

LESCHENAULT INLET MASTER PLAN — FUNDING

98. Hon ADELE FARINA to the minister representing the Minister for Regional Development :

I refer to the City of Bunbury's Leschenault Inlet master plan and the city's request for funding to progress the master plan.

- (1) Has the minister and/or government considered the city's request for funding, and how much funding will the government commit to this important public infrastructure project?
- (2) If the minister and/or government has determined not to fund the project, what are the reasons for this decision?

Hon KEN BASTON replied:

I thank the honourable member for some notice of this question.

- (1) I am advised that the Bunbury City Council has not yet adopted the Leschenault Inlet master plan. I am not aware of a request to fund this project.
- (2) Not applicable.
