

POLICE — DETAINED YOUTHS — POLICE HOLDING CELLS — KIMBERLEY

5639. Ms J. Farrer to the Minister for Police:

I refer to youth being detained in Kimberley police holding cells, and I ask:

- (a) how many youth have been held, for any length of time, in a Kimberley police cell for each month of the years 2012–2016 at the following locations:
  - (i) Kununurra;
  - (ii) Halls Creek;
  - (iii) Fitzroy Crossing;
  - (iv) Derby; and
  - (v) Broome?

**Mrs L.M. Harvey replied:**

WA Police advise:

- (a) (i)–(v) WA Police systems do not allow the capture of how many juveniles have been held in police cells without interrogating each custody episode. However, information outlining how many juveniles have been detained by police can be provided.
