

ASSET INVESTMENT PROJECTS — COMMONWEALTH CONTRIBUTION

3246. Hon Ken Travers to the minister representing the Minister for Transport

For each financial year from 2009-10 to 2013-14, I ask —

- (1) Can the Minister advise which Asset Investment projects will receive a contribution from the Commonwealth and for each year -
 - (a) how much money in total will be spent on the project;
 - (b) how much will the Commonwealth contribute to the project; and
 - (c) how much will the State Contribute to the project?
- (2) If the answers to (1) do not cover all of the money listed on page 365 of the 2010-11 Budget under the heading Commonwealth Grants, can the Minister outline for what purpose is the remainder of the money received?

Hon SIMON O'BRIEN replied:

- (1)-(2) Please refer to budget papers. Decisions on future investments will be made by government.
