

CONTAMINATED SITES — EXMOUTH

533. Hon KEN BASTON to the Minister for Environment:

I refer to the answer to question without notice 510 asked on Tuesday, 5 September about a contaminated site in Exmouth—lots 300 and 301 on deposited plan 406333.

- (1) What is the suspected volume of oil and diesel spilled over the suspected period of contamination?
- (2) Who or what agency has carried out remediation works at these locations?
- (3) Who or what agency has funded the remediation works at this site?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of this question.

- (1) The volume of oil and diesel spilled at the former power station—lots 300 and 301 on deposited plan 406333—in Exmouth is unknown.
- (2) Environmental consultants engaged by Horizon Power have undertaken remediation works at the former power station.
- (3) Horizon Power has funded the remediation works.
