

THORNLIE BOWLING CLUB — GRANT ACCESS

1637. Mr C.J. Tallentire to the Minister for Sport and Recreation

What Government grants will the Thornlie Bowling Club be able to access under this portfolio, despite the \$65m cuts this financial year and \$200m cuts over 4 years?

Mr T.K. WALDRON replied:

The Thornlie Bowling Club, and all other eligible sport and recreation organisations throughout the State, will have access to all sport and recreation grant programs that they currently enjoy.
