

INDUSTRY CAPABILITY NETWORK WESTERN AUSTRALIA — EVANS AND PECK STUDY

399. Hon KATE DOUST to the Minister for Commerce:

I refer to the “Local Content Report May 2012”, and to the Evans and Peck study into the Industry Capability Network Western Australia business model and service.

- (1) When did this study commence and when did it conclude?
- (2) What was the cost of the review to the state government?
- (3) Will the minister table the Evans and Peck study; and, if not, why not?

Hon SIMON O'BRIEN replied:

I thank the honourable member for some notice of this question.

- (1)–(3) This study was commissioned by the Chamber of Commerce and Industry of Western Australia, not the state government.
