

DANGEROUS SEX OFFENDERS — GPS TRACKING DEVICES

**156. Mr M. McGOWAN to the Minister for Corrective Services:**

I will ask a supplementary question. Given Hon Terry Redman's comments on 29 April 2012 that, "It's possible that it could increase the number of dangerous sex offenders that are released", did the government therefore not know that this was the likely outcome of allowing dangerous sex offenders—serial sex offenders—access to this technology?

**Mr J.M. FRANCIS replied:**

No.

Several members interjected.

**The SPEAKER:** Member for Cockburn, I call you to order for the third time.
