SOUTH METROPOLITAN REGION**

Questions on Notice 339 and 354 — Answer Advice

HON SUE ELLERY (South Metropolitan — Leader of the House) [5.10 pm]: I refer to questions on notice 339 and 354 asked by Hon Nick Goiran on 5 September 2017 and to tabled papers 767 and 768 in relation to those same questions. I have papers for tabling in relation to those two questions. By way of explanation, the member's questions related to standard courtesy emails sent from my office advising the member of ministerial visits to the member's electorate. The questions asked for any papers prepared for those visits to be tabled. Given the briefing notes prepared for my visit contained confidential information related to school students and other private individuals, I declined to provide the documents and lodged and tabled the requisite section 82 notice under the Financial Management Act 2006. I have given further consideration to the member's request —

Hon Nick Goiran interjected.

Hon SUE ELLERY: It is the member's lucky day!

I have given further consideration to the member's request and hereby table the three briefing notes associated with those visits with information redacted that could identify any of the private individuals.
