

FORREST HIGHWAY, AUSTRALIND — CRASHES

6122. Hon Adele Farina to the Minister for Finance representing the Minister for Transport

I refer to the 527 crashes reported on the Forrest Highway at Australind, and I ask —

- (1) What is the nature of the crashes?
- (2) What is the assessed cause of the road crashes?
- (3) Is the cause attributed to a design fault or need for improvement with the road?
- (4) If yes to (3), what is being done to remedy it and what is the cost?

Hon SIMON O'BRIEN replied:

Main Roads WA advises:

- (1)–(4) Clarification of the location and time frame of the reported 527 crashes referred to in the question is required to enable a reply.
