

TRANSPERTH — DRIVER RED-LIGHT AND SPEED INFRINGEMENT

4312. Hon Ken Travers to the Minister for Finance representing the Minister for Transport
- (1) How many speed camera infringement notices were received by drivers of Public Transport Authority buses in 2009?
  - (2) What were the top ten locations at which infringements were received in 2009?
  - (3) How many individual drivers received infringements in 2009?
  - (4) What was the most number of infringements received by an individual driver in 2009?

Hon SIMON O'BRIEN replied:

The Public Transport Authority advises:

- (1) 111
- (2) Dixon Road  
Elder Place  
Pinetree Gully Road  
Lynwood Avenue  
Leach Highway  
Leach Highway  
Whitfords Avenue  
Grand Prom  
Corfield Street  
Kwinana Freeway
- (3)-(4) The Public Transport Authority (PTA) does not maintain this information. The PTA refers any infringements it receives for Transperth buses to the relevant Transperth Contracted Service Provider to identify the driver of the bus. This then enables the infringement notice to be reissued by the Western Australian Police to that driver.
