

RAILCARS — BUSINESS CASE FOR EXTRA

4465. Hon Ken Travers to the Minister for Finance representing the Minister for Transport

- (1) Was a business case developed for the procurement of additional rail cars and ancillary investments?
- (2) If yes to (1), will the Minister table a copy?
- (3) If no to (1), why not?

Hon SIMON O'BRIEN replied:

The Department of Transport advises:

- (1) The business case for the procurement of additional rail cars and ancillary investments was the submission to the 2011/12 budget process.
- (2)–(3) The outcomes from the budget process are included in the 2011/12 Budget Papers. Submissions to the budget process are part of Cabinet deliberations.
