

ROAD SAFETY REVIEW — PETER BROWNE CONSULTING

129. Mr M.P. MURRAY to the Minister for Police:

I refer to the Peter Browne Consulting report “A Review of Road Safety Governance in Western Australia” that the minister received last June.

- (1) Can the minister advise whether she will be implementing all of the recommendations?
- (2) Which recommendations will the minister not be supporting and why?

Mrs L.M. HARVEY replied:

- (1)–(2) The government is considering the report of the Browne review. I expect to release our response to it in the near future.
