

ROADS — MARMION AVENUE

4040. Mrs L.M. Harvey to the Minister for Transport:

I refer to funding provided to the City of Wanneroo for the widening of Marmion Avenue, and I ask:

- (a) what is the expected total cost of the project;
- (b) has a business case been prepared for the project and if not, why not;
- (c) if yes to (b) will the Minister table the business case and if not, why not;
- (d) was traffic modelling undertaken on Marmion Avenue prior to funding being provided to the City of Wanneroo; and
- (e) did the traffic modelling include the impact of the Yanchep train line extension and freeway extension and if not, why not?

**Ms R. Saffioti replied:**

- (a) The State's contribution to the project is \$23 million.
- (b)–(e) This was a McGowan Government election commitment to allocate \$23 million towards the City of Wanneroo project to dual Marmion Avenue.

This section of Marmion Avenue is a local road under the control of the City of Wanneroo. As such, Council has undertaken the planning and development work for this project.
