

CHILD PROTECTION — CHILD SEXUAL ABUSE — ROEBOURNE

170. Hon NICK GOIRAN to the Leader of the House representing the Minister for Child Protection:

I refer to question without notice 66, asked on 19 February 2019, which asked whether the Department of Communities monitors cases when a young person charged or convicted of a sexual offence attends a private school, which the Leader of the House answered on 20 February 2019 by informing the house that the Western Australia Police Force notifies the Department of Education about such cases.

- (1) How many people were involved in the consideration of that question and the formulation of the answer?
- (2) What is the job title of each of those people?
- (3) Will the minister table a copy of all emails exchanged between those people about that consideration and formulation?
- (4) If no to (3), will the minister undertake to comply with section 82 of the Financial Management Act 2006?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

I remember having a discussion about this, but there is nothing in my file.

Hon Nick Goiran interjected.

The PRESIDENT: Order! The minister is trying to provide a response. You might actually want to hear it.

Hon SUE ELLERY: I have given an answer. That is it.
