

MINISTER FOR EMERGENCY SERVICES' PORTFOLIOS — SENIOR EXECUTIVES — VEHICLES

3366. Mr M. McGowan to the Minister for Emergency Services; Corrective Services; Small Business; Veterans:

I refer to motor vehicles provided to senior executives above Level 9.1 or equivalent (including all classes and divisions above Level 9.1 or equivalent), and I ask as at 1 February 2015, for each agency, department, commission or government trading enterprise within the Minister's portfolio of responsibilities, what is:

- (a) the name of the executive or office-holder provided with a motor vehicle;
- (b) the title or position of the executive or office-holder provided with a motor vehicle;
- (c) the agency or department in which the executive or office-holder works;
- (d) what is the make and model of the motor vehicle;
- (e) is the vehicle leased or has it been purchased;
- (f) if purchased, what was the cost of purchasing the motor vehicle; and
- (g) if leased, what are the monthly lease costs of the vehicle?

Mr J.M. Francis replied:

Department of Corrective Services

(a) Based on security and safety concerns, it is not appropriate for the Department to provide a response that would facilitate the linking of individual senior officers with particular motor vehicle details.
