

BUNBURY — OUTER RING ROAD

5009. Hon Adele Farina to the Minister for Finance representing the Minister for Transport

I refer to the Minister's answer to question on notice No. 4024 in which the Minister tells me to refer to his answer to question on notice No. 4025 and noting that this does not answer my question, I again ask —

- (1) What is the current timeframe for the commencement and completion of construction for all other stages (other than stage 1) of the Bunbury Outer Ring Road?
- (2) What is the expected cost for construction of the other stages (other than stage 1)?
- (3) What action has the Government taken to progress the completion of the whole project (that is the stages other than stage 1)?

Hon SIMON O'BRIEN replied:

Main Roads WA advises as at 8 November 2011:

- (1)–(3) Please refer to Question on Notice 4025. In relation to further steps, these will be subject to future project development and budget considerations.
