

STATE BUDGET 2012–13 — SECONDARY SCHOOLS — YEAR 7 STUDENTS

**170. Mr P. PAPALIA to the Minister for Education:**

I have a supplementary question. Can the minister confirm whether planning of and funding for south Landsdale primary school has been withdrawn to help fund the move of year 7s into high school in 2015?

**Dr E. CONSTABLE replied:**

I will tell the member for Warnbro once more that all the planning has been done for year 7s and that he will see it on budget day.
