

NORTH BEACH ROAD — TRAFFIC SPEED REDUCTION

652. Hon ED DERMER to the Minister for Transport:

- (1) Will Main Roads WA fund the project designed to reduce traffic speed on North Beach Road between the North Beach Road intersections with Reid Highway and Kyeema Chase in Carine?
- (2) If yes, when will this funding be made available?
- (3) If no to (1), why not?

Hon SIMON O'BRIEN replied:

I thank the honourable member for notice of his question.

- (1) Yes; subject to Main Roads agreeing with the final design of this section of road. Main Roads has been working with the City of Stirling to develop a modified design for North Beach Road at this location.
- (2) Funding will be provided by Main Roads for construction of the project. Timing for construction will be subject to the council and Main Roads reaching agreement on the final design improvements.
- (3) Not applicable.
