

CORONER'S COURT — CASE MANAGEMENT SYSTEM

**330. Hon ALISON XAMON to the Leader of the House representing the Attorney General:**

I refer to the Education and Health Standing Committee report entitled “The Impact of FIFO work practices on mental health”.

- (1) Will the Coroner's Court develop and implement a searchable database for recording and monitoring trends in reportable deaths in Western Australia as recommended in the committee report?
- (2) If yes to (1), when?
- (3) If no to (1), why not?

**Hon SUE ELLERY replied:**

I thank the honourable member for some notice of the question.

- (1) Yes, through the planned implementation of a new case management system as part of the integrated courts management system.
- (2) The new case management system for the Coroner's Court is expected to be available in the latter part of the 2018–19 financial year.
- (3) Not applicable.
