

PUBLIC TRANSPORT — INFRASTRUCTURE PROJECTS

6288. Hon Ken Travers to the Minister for Finance representing the Minister for Transport

- (1) Can the Minister for Transport outline a list of new public transport infrastructure that the Barnett Government expects will be constructed in Perth by 2020?
- (2) What is the estimated cost of each project?
- (3) When does the Minister expect construction for each project will commence?

Hon SIMON O'BRIEN replied:

The Public Transport Authority advises:

Please note: This answer only includes funded Major Public Transport Infrastructure projects.

- (1) The Perth City Link Rail Project (PCL), The Perth City Link Bus Project, Extension of the Joondalup line to Butler and Aubin Grove Station.
- (2) \$249.0m, \$80m, \$240.7m and \$360.3m.
- (3) PCL Rail forward works commenced in 2010 and main works commenced in late 2011, PCL Bus station works are due to commence in 2014, Joondalup line extension commenced in late 2010, and it is anticipated that following the usual planning, design and tendering process, the actual site works for Aubin Grove station and the transport works to support the station will commence in 2014.
