

SCHOOLS — COMMUNITY-BASED PLAYGROUPS

**909. Hon DONNA FARAGHER to the Minister for Education and Training:**

I refer to the enhanced transition to schools project.

- (1) Does the Department of Education provide any funding to support this project; and, if yes, will the minister provide more detail on the funding arrangements?
- (2) How many schools have an established community-based playgroup operating on school grounds?
- (3) Will the minister provide a list of the schools referred to in (2)?

**Hon SUE ELLERY replied:**

I thank the honourable member for some notice of the question.

- (1) Yes. Funding through the national partnership on universal access to early childhood education, element 2, “Enhanced transition to school”, has been used to develop a grant agreement with Playgroup WA— from September 2014 to December 2019—to establish playgroups on public, Catholic and independent school grounds.
- (2) As at 13 August 2019, 141 community-based playgroups were operating on school grounds.
- (3) I have a list of schools with an established community-based playgroup operating on school grounds. The data has been provided by Playgroup WA. It is a very long list, so I seek leave to have that part of the answer incorporated into *Hansard*.

Leave granted.
