

STATE CORONER — CT SCANNER

341. Hon Alison Xamon to the Leader of the House representing the Attorney General:

I refer to the need for a CT scanner for the State's morgue to assist the State Coroner and reduce the need for invasive and time-consuming autopsies, and I ask:

- (a) has the Government committed to making money available to fund the purchase of a CT scanner;
- (b) if yes to (a), when will this money become available; and
- (c) if no to (a), why not?

Hon Sue Ellery replied:

- (a) No.
- (b) Not applicable.
- (c) A joint business case between the Department of Justice and the Department of Health (PathWest) is currently being prepared for the consideration of Government.
