

TRANSPORT — ROE HIGHWAY STAGE 8 — STOCK ROAD INTERCHANGE

4413. Hon Sue Ellery to the parliamentary secretary representing the Minister for Transport:

I refer to the Roe 8 preferred proponent announced in the media statement of 27 October 2015, and I ask:

- (a) can the Minister confirm that announcement included the Stock Road interchange;
- (b) did inclusion of the Stock Road interchange change after the Government announced its intention to build a tunnel for the second stage of the Perth Freight Link; and
- (c) does the contract currently being considered by the Government in relation to Roe 8, include the Stock Road interchange?

**Hon Jim Chown replied:**

(a)–(c) No.
