

SOUTH WEST — ROAD TRAUMA TRUST ACCOUNT

6118. Hon Adele Farina to the Minister for Finance representing the Minister for Transport

I refer to programs to be funded from the Road Trauma Trust Account to improve the safety of regional roads, and I ask —

- (1) What South West roads will receive funding from this program in 2012–13?
- (2) In relation to each project/road identified in answer to (1), what is the funding allocated and the expected commencement and completion dates for the works?
- (3) For each of the last four financial years, what South West roads have received funding under this program (please list the road and funding allocated)?

Hon SIMON O'BRIEN replied:

Main Roads WA advises:

- (1) Bussell Highway, Forrest Highway, South Western Highway.
- (2) \$1 500 000

It is not possible to give the exact commencement and completion dates for the projects at this time, however, all projects will be completed in the 2012/13 financial year.

- (3) Initial year of funding from this source.
