

RANGELANDS COUNCIL - ESTABLISHMENT

649. Hon KEN BASTON to the parliamentary secretary representing the Minister for Planning and Infrastructure:

I refer to the major achievement noted on page 669 of volume 2 of budget paper No 2 that states that funds were secured to establish and run the rangelands council and that legislative amendments to establish the council were progressed.

- (1) What is the time line for the establishment of the rangelands council?
- (2) What is the proposed role of the rangelands council?
- (3) Who will have responsibility for the appointment of members of the council?
- (4) Who will be appointed?
- (5) Will invitations for potential membership of the council be advertised?

Hon ADELE FARINA replied:

Unfortunately, I do not have an answer to that question with me.
