

TRANSPORT — FREMANTLE BICYCLE PATH

4109. Mrs L.M. Harvey to the Minister for Transport:

I refer to the media statement dated 14 September 2019 titled ‘Wheels in motion for Fremantle bike path construction’, and I ask:

- (a) what is the expected total cost of the construction for the entire extension including stage 1 and stage 2;
- (b) will the Minister provide a list of all the projects, including expected cost, start date and completion date of all of the projects that will be funded from the \$134 million spent on cycling infrastructure in the next four years.;
- (c) if no to (b), why not;
- (d) have business cases been prepared for the projects that will be funded from the \$134 million;
- (e) if no to (d), will the Minister table a list of those projects where a business case has been prepared; and
- (f) will the Minister table all of the business cases that have been prepared for projects that will be funded from the \$134 million?

Ms R. Saffioti replied:
