

COUNTRY LOCAL GOVERNMENT FUND

52. Mr P. PAPALIA to the Minister for Local Government:

I have a supplementary question. Bill Mitchell has been in Bunbury telling people about the \$70 million fund. The minister was telling the Local Government Managers Association about it three weeks ago. He told *The Sunday Times* about it two days after he was sworn in. Why can he not give me some details?

Point of Order

Mr T.R. BUSWELL: That is hardly a supplementary question.

The SPEAKER: No, it is not.
