

**INNALOO SPORTSMEN'S CLUB —
CANCER COUNCIL, BIGGEST MORNING TEA**

Statement by Member for Scarborough

MRS L.M. HARVEY (Scarborough) [12.54 pm]: On Thursday, 10 June I was fortunate to participate in the Biggest Morning Tea for the Cancer Council hosted by members of the Innaloo Sportsmen's Club. The event was well attended by the local community, with over 200 people turning up for a variety of delicious delicacies prepared and served by volunteers from the club.

Innaloo Sportsmen's Club has hosted a Biggest Morning Tea for the past four years, with its success continuing to grow year after year. I am told that this event is now so renowned that the club had no need this year to distribute flyers advertising the event. The word had spread and the club was at capacity from word of mouth. This year the club raised \$6 134.20 for the very worthy Cancer Council. The fundraising total was made up of over \$3 000 raised on the day, the rest coming from fundraising prior to the event, including Easter egg sales, a Mother's Day fundraiser and donations from local businesses.

On behalf of all the attendees at the event, I would like to place on record our thanks to the organising committee: the chairperson, June Haustead, and secretary, Kay Perris, and the committee of Dawn Smith, Shirley Campbell and Sheila Hogan. I would like to pay particular tribute to Sheila, who at nearly 89 years of age continues to devote a significant amount of her time to various causes, particularly with the Cancer Council, and is often sighted at local shopping centres at a trestle table collecting for the cause. Thanks again to the Innaloo Sportsmen's Club for hosting this fantastic community event. I look forward to returning with 200 or so other people next year to share in some great conversations and delicious treats.
