

METROPOLITAN REGION SCHEME AMENDMENT 1210/41

1243. Hon SUE ELLERY to the Minister for Planning:

I refer to supplementary information E1 provided on 14 June 2016 as part of the 2016–17 budget estimates.

- (1) Has the minister corrected the record and provided the addresses of the missing properties?
- (2) Will the minister now provide that list; and, if not, why not?

Hon DONNA FARAGHER replied:

I thank the member for some notice of the question.

- (1)–(2) As soon as I became aware that there was an error in the information provided to the Standing Committee on Estimates and Financial Operations—which was on Friday just gone—I requested the director general of the Department of Planning to conduct an urgent review to ensure the accuracy of all information provided in relation to this matter. While the review is still being completed, I have been advised that it has already identified other errors that will also need to be corrected. I have requested the department to correct and complete the dataset as a matter of urgency. As soon as it has been received, I will write to the committee and provide the correct information. In the meantime, I have discussed the matter with the committee chair and verbally advised him of the steps I am taking to correct the record as soon as possible.

The supplementary question was asked by Hon Sue Ellery. I indicate to the house that as soon as I receive the information and provide it to the committee, I will also provide a copy to Hon Sue Ellery.
