

VOCATIONAL EDUCATION AND TRAINING IN SCHOOLS

816. Hon SUE ELLERY to the parliamentary secretary representing the Minister for Training and Workforce Development:

I refer to certificate II pre-apprenticeship and other certificate qualification courses offered under VET in Schools.

- (1) What are the fees charged for these courses?
- (2) Does the government have any plans to increase fees for VET in Schools courses to align with the fees for the same courses at TAFE colleges?

Hon COL HOLT replied:

I thank the member for some notice of the question. I note that this answer was provided on 24 October 2013.

- (1) Enrolled school students doing VET courses that are funded by the Department of Training and Workforce Development as part of their school program do not pay course fees.
- (2) There is no plan to increase course fees for these students.
