

WESTERN AUSTRALIAN CERTIFICATE OF EDUCATION — REFORM

398. Hon DONNA FARAGHER to the Minister for Education and Training:

I refer to the minister's press release titled "Schooling reforms to give every student an opportunity for a better future", dated 2 May 2019, and specifically the reference that the School Curriculum and Standards Authority was asked by the minister to consult with school leaders, training providers, industry, parents and students.

- (1) What was the form of consultation undertaken by SCSCA?
- (2) Will the minister list each of the stakeholders who were consulted?
- (3) On what date or dates was each stakeholder referred to in (2) consulted?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

- (1) The plan to propose changes to the Western Australian Certificate of Education, including stakeholder consultation, was announced in my media statement on 22 October 2018. The School Curriculum and Standards Authority conducted face-to-face or telephone consultation with stakeholders.
- (2)–(3) As the information is provided in tabular form, I seek leave to have the following information incorporated into *Hansard*. I also offered a briefing on the changes to the honourable member; however, my office has not yet received a response.

Hon Donna Faragher: I had informed my office to say yes to that, and that might not have been passed on to you, minister, but thank you for the invitation.

Hon SUE ELLERY: Okay.

Leave granted.
