

PUBLIC SCHOOLS — CLEANING AND GARDENING — STAFF TIME ALLOCATIONS

4407. Hon Sue Ellery to the Minister for Education:

For each Western Australian public school, for 2016 (to date), I ask:

- (a) how many hours of cleaning staff time was allocated; and
- (b) how many hours of gardening staff time was allocated?

**Hon Peter Collier replied:**

Schools are no longer allocated FTE.

From 2015, funding is delivered through the student-centred funding model providing principals with the flexibility to determine how they use their budgets to deliver the support their schools need, including the amount of cleaning and gardening staff time.
