Question on Notice 1119 — Correction of Answer

HON SUE ELLERY (South Metropolitan — Minister for Education and Training) [5.07 pm]: I would like to provide a correction to Hon Martin Aldridge’s question on notice 1119, asked on 12 April 2018. I am advised by the Department of Education that the table requires amendment to the column “Years of service”. The miscalculations were discovered only after the answer had been lodged in the automated questions on notice system and could not be retrieved. The correction is required as the years of service for staff transferring from the Country High School Hostels Authority to the Department of Education were miscalculated from a manual data source. The years in the answer provided came from the department’s human resource management information system, and the error was not immediately apparent. I apologise to the house for the error. The corrected information is in tabular form. I seek leave to have it incorporated into *Hansard*.

Leave granted.
